Recall Details

In Conjunction With:

Description:

This recall involves Horizon Fitness T101-05 folding treadmills. The treadmill has a running area that measures 55 inches long by 20 inches wide and has a 33-inch-wide console. The display has red LEDs that provide workout information to the user. Horizon T101-05 is printed on the treadmill's serial number label. The name of the model and the serial number are located on the metal frame near the power switch. The serial number starts with the letters "TM". Only treadmills with the following serial numbers are included in this recall. Only Horizon Fitness T101-05 folding treadmills are included in this recall.

MODEL NAME

Serial Numbers Starting With

T101-05 China

TM734

T101-05 Vietnam

TM486

Remedy:

Consumers should immediately stop using the recalled T101-05 treadmills and contact Horizon to receive a free USB with a software repair to install on the treadmills.

Incidents/Injuries:

Horizon has received at least 874 reports where the treadmills unexpectedly changed speed or stopped, including 71 reports of injury, including bruises, abrasions and two broken bones.
